Yayasan Sarawak

ABOUT US

Sarawak Centre of Performance Excellence (SCOPE) was established in 2016 with the purpose to offer training and professional development opportunities to Statutory Bodies, Local Authorities, Government-Linked Companies (GLCs) and other businesses. SCOPE is a wholly-owned subsidiary of Yayasan Sarawak and one of the state-owned Registered Training Centre registered under Human Resource Development Corporation (HRDC). SCOPE strives to cultivate a culture of excellence through collaboration with various industry partners to foster an environment of continuous learning & growth, enabling individuals to evolve into exceptional leaders - consistent with our tagline **"Empowering Individuals To Rise As Competent Leaders"**.

SCOPE specialises in developing and delivering training programmes focused on leadership and management skills. Whether to enhance your existing skills, re-skilling, exploring a new career path, or staying ahead of the latest industry trends, we have a wide range of training programmes that cater to various interests and goals. We constantly update our course offerings to ensure they are aligned with the ever-evolving demands of the industry.

Our Mission

We strive to cultivate a culture of excellence, collaboration and continuous improvement in order to continue to offer exceptional training opportunities to individuals from various backgrounds and industries.

SCOPE 3D + 1E STRATEGY

DESIGN

A deliberate and strategic process encompassing understanding client's needs, identification of goals, and desired outcomes

DEVELOP

Crafting the curriculum including selection of appropriate topics, organizing content logically, & design instructional materials

DELIVER

Foster an environment that promotes effective adult learning to enhance overall learning experience.

EVALUATE

Systematic & data-driven process that provides valuable insights into the participants' progress & the effectiveness of the training programs to ensure the desired outcome is achieved
