

SCOPE DISTINGUISHED SPEAKERS' SERIES

Future of Work with Green Technology and AI Advancement in Sarawak

10 November 2023

2.30 PM – 5.00 PM

Mulu Auditorium, SCOPE

PROGRAMME OVERVIEW

Technological advancements, globalisation, and shifting demographics are reshaping the business and talent landscape, presenting both challenges and opportunities.

With Sarawak state poised to become a regional leader and international champion in the renewable energy sector, reinforcing foundation in applied research, sustainable financing, leadership and talent development are crucial elements of the green economy strategy.

This half-day talk will explore the latest thinking on the Future of Work in the context of AI and green technology implementation in Sarawak. The session intends to congregate top leaders of select corporations in Sarawak and share Asia School of Business (ASB)'s expert opinion and research on the subject.
